WHO WE ARE

Southern Lifts is Melbourne's leading team of dedicated and trained professionals in the lift and elevator industry. We are committed to providing expert, reliable advice, and superior customer service. Southern Lifts supply and install elevators, dumbwaiters, and disabled access for home as well as business applications.

Started in 2002, Southern Lifts has a long and successful history in lift installation and ongoing maintenance.

We believe that every job worth doing is worth doing right, to that effect, each account is allocated to a single project manager who knows the ins and outs of your lift.

WHY US

Southern Lifts provides a comprehensive experience from initial consultation to long-term maintenance. Our dedicated project management policy means you always talk to the same person for quick and effective service.

With experts in elevators, disabled access, and dumbwaiters, Southern Lifts is your one-stop shop for residential and commercial lifting needs.

SOURCED WORLD-WIDE

Our range is sourced from the best manufacturers worldwide. With such a breadth of choice, you can always find a product that meets your needs.

SIMPLE SERVICING

We offer flexible and cost effective maintenance agreements to provide servicing for the life of your lift. We are also on call 24 hours a day for emergency response in the event of a lift breakdown.

DEDICATED PROJECT MANAGER

From the outset, you will be assigned a project manager to answer your questions and concerns throughout your journey from architectural drawings to the final handover.

RESIDENTIAL & COMMERCIAL

Our experienced team can install and maintain lifts for commercial and residential use, providing lifts of all capacities.

TIMELINE

We are with you every step of the way through your project timeline, ready to answer questions and respond to challenges.

1 QUOTE

Our experienced sales team helps you find the right lift at the right price.

2 PROJECT MANAGEMENT

We assist with site preparation and resolve any questions or concerns in the lead up to installation.

3 INSTALLATION

We install the lift from start to finish and prepare it for final handover.

4 HANDOVER

We give you a run down on how to operate your lift and how to ensure it is running safely.

5 MAINTENANCE

Southern Lifts provides ongoing maintenance and emergency assistance to keep your lift running through its ups and downs.

OUR CAPABILITIES

Southern Lifts brings, to every project we carry out, years of experience and commitment to providing the best customer service with a focus on achieving the desired outcome for each and every client who engages us.

RESIDENTIAL & COMMERCIAL LIFTS

- Battery Backup & Emergency Phone
- Lifts of all capacities
- Internal and External Lift Options
- Site visitation and guidance
- Experienced in-house service and install teams
- Superior Customer Service
- Impressive Warranties & After-Care
- Lifts, Dumbwaiters, and Disabled Access

Southern Lifts offer a range of maintenance agreements for lift servicing that are tailorable to suit your requirements. Maintenance Agreements can provide varying service frequencies per year to best fit your servicing needs. Maintenance programs comply with the manufacturer's safety and performance guidelines. Our service department is in-house to ensure quality and consistency.

Our in-house installation team is able to install your lift efficiently and effectively. The project management team works closely with your builder to make sure requirements are understood for a smooth and simple installation.
